LUXURY
WALLPAPER

The Jewel collection was inspired by the sophisticated new geometric we've named Marquise, after the diamond cut it resembles. Featuring a luxurious folded silk backdrop and matching plain the name perfectly befits this noble design.

The Royal Palm design was similarly named after the beautiful Hosta Leaf and offers a striking, contemporary alternative for luxury vinyl. For a rich luxurious finish to your walls co-ordinate with the rich gilded grass cloth texture.

The range of co-ordinated textured plains offer the opportunity to capture all 4 walls, and the striking range of rich gemstone colours and beautiful neutrals tones offers something for everyone.

All on a non woven easy to hang / easy to remove substrate these products are all extra washable and perfect for high traffic areas.
