POLYPROPYLENE STORAGE

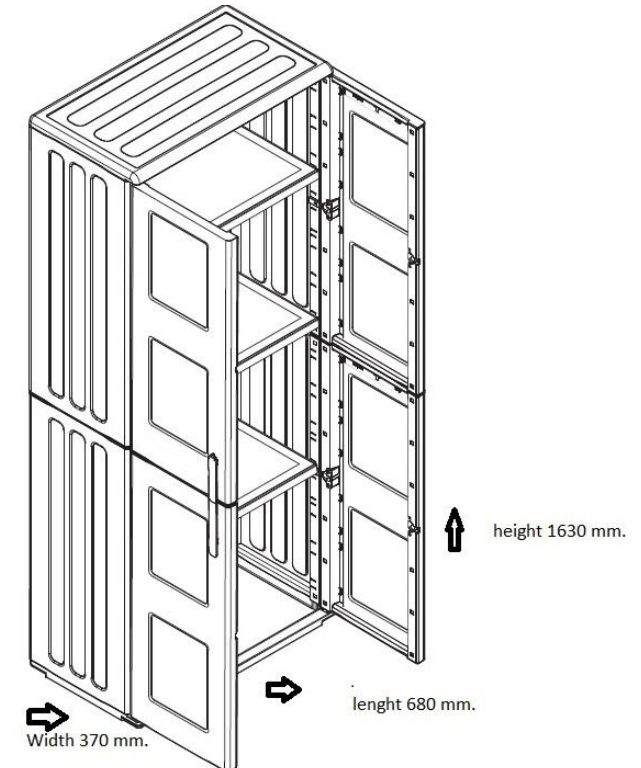

“Free Line” Storage

F71B

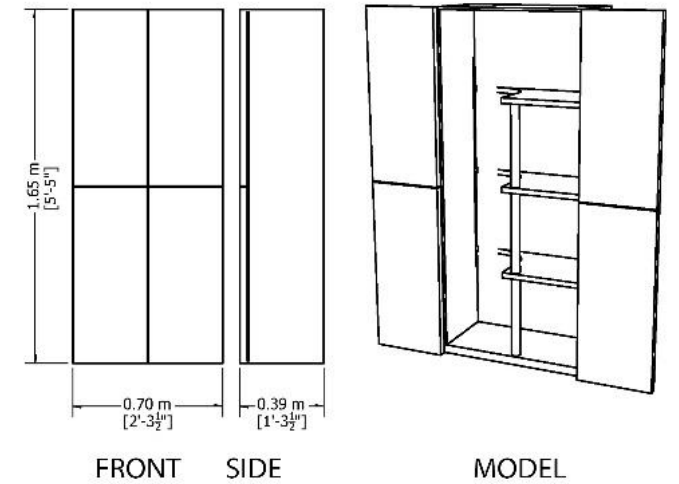

F71TP

“Free Line” Storage

- “Free Line” Storage
- Economic storage for house, carport, garage, utility room, porch, shed or workshop.
- Two models **F71TP** (medium size) and **F71B** (smaller size)
- Anti wear system with steel hinges and snap closure.
- Made from Polypropylene which is shockproof, cold resistant, weatherproof and resistant to oils and solvents.
- Easily washable, does not absorb odours and does not retain moisture.
- Simple to assemble.
- Shelves can be fitted at varying heights.
- The top covers the door leaf to discourage water ingress.
- Packaging is printed with specification and assembly instructions.
- Manufactured from re-cycled plastic and is in turn recyclable. Complies with REACH regs.

“Linear Steel” Storage

“Linear Steel” Storage

- “Linear Steel” Storage
- Quality storage for house, carport, garage, utility room, porch, shed or workshop.
- One model **S71PST**
- Fully supported shelving prevents distortion of the unit when heavy weights are stored.
- Anti wear system with steel hinges and snap closure.
- Made from Polypropylene which is shockproof, cold resistant, weatherproof and resistant to oils and solvents.
- Easily washable, does not absorb odours and does not retain moisture.
- Simple to assemble.
- Shelves can be fitted at varying heights.
- The top covers the door leaf to discourage water ingress.
- Packaging is printed with specification and assembly instructions.
