

ESSENTIAL GROUT MOULD CLEANER SPRAY

500ML SKU: SC4U_ERS_GMC500

DESCRIPTION

Ready to use spray cleaner suitable for use on and around plastic & enamel baths & showers. It easily removes mould & black spots from grout & silicone with fast & effective cleaning power to grout joints.

Stonecare4u Essential Grout Mould Cleaner is a fast, effective & safe spray cleaner specially formulated for the removal of mould, algae, fungus and unsightly black spots commonly found on grout joints, silicone sealant, and hard surfaces, i.e. bathroom area, wall tiles, ceramics, porcelain and most types of natural stone tiles.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING

1. Read entire label before using.
2. Spray the surface to be treated from 3-5cm away.
3. Leave to work for 20-30 mins, then agitate with a stiff brush or scouring pad.
4. In the case of stubborn stains i.e. such as on silicone sealants, spray again and leave to work for up to 2-3 hours.
5. Clean the sprayed surface with a sponge & clean water.

Always test ESSENTIAL MOULD CLEANER on an inconspicuous area on-site prior to use.

Please Note: Avoid contact with metals and do not treat coloured surfaces. We do not recommend using this product on artexed surfaces. Avoid splashes on sensitive surfaces such as metal, wood or clothing.
