

ESSENTIAL STONE FLOOR REJUVENATOR

1L **2.5L** SKU: SC4U_ERS_SFJ01 / SC4U_ERS_SFJ250

DESCRIPTION

Floor re-finishing Cleaner / Sealer

SC4U ESSENTIAL STONE FLOOR REJUVENATOR is a specialist cleaner for all types of natural stone, providing a fresh clean surface whilst also adding a top-up liquid wax sealing effect. STONE FLOOR REJUVENATOR can be used as a dressing finish for professional pre-sealed surfaces. It protects against oil & water based stains; conditions, protects & rejuvenates natural stone with antimicrobial protection.

Essential Stone Floor Rejuvenator is a water-based natural stone conditioner that brings out the natural beauty of many types of natural stone. It is very easy to use, just apply with a clean cloth or sprayer and buff into the stone. This product is suitable for internal and external use and has UV protection.

DIRECTIONS FOR USE

Before use, remove any loose debris from the work surface and ensure you have adequate personal protection, i.e gloves, suitable protective eye-wear, face mask & clothing.

- NOTE: Following the instructions below, perform a small test application in an inconspicuous area on-site prior to use. This will indicate the suitability and effectiveness of the product for your surface. If unsuitable for your requirements DO NOT PROCEED; contact us to return the product.**
- Make sure that the surface is dry, thoroughly clean and free from waxes, sealants or coatings of any kind.
- Apply product evenly with a low pressure sprayer or cloth. Once solution is applied to the surface, leave to penetrate for 10-15 mins then buff to low to medium sheen.
- Dry to the touch in approximately 30-40 mins, cures fully within 24 hours. Test after application with water droplets, if droplets are absorbed a second or third coat may be necessary. Keep adults, children and pets out of the area until product has fully dried.

Important Note: Surfaces which are not to be sealed must be protected with masking material.

MAINTENANCE

Avoid common off the shelf household cleaning products, as these can contain harmful caustics and bleaches, which in turn will affect the performance and longevity of the Rejuvenator.
