

ESSENTIAL WORKTOP REJUVENATOR SPRAY

500ML SKU: SC4U_ERS_WRJ500

DESCRIPTION

Specialist spray cleaner suitable for use on high quality natural stone worktops, leaving the surface clean with an attractive rejuvenated appearance

Suitable for use on many stone surfaces: Marble, Granite, Travertine, Polished Stone, Quarry Stone, Limestone, Terracotta, Slate, Porcelain & Ceramic Tiles.

Stonecare4u Essential Worktop Rejuvenator Spray is a specialist stone surface cleaner that also re-invigorates the stone appearance and builds a protective barrier. Ideally suited for granite & marble worktops, countertops and high quality polished stone areas.

DIRECTIONS FOR USE

1. First remove all loose dust and dirt from the surface.
2. Generously apply Worktop Rejuvenator to the surface.
3. Instantly lightly polish with a soft, absorbent lint-free cloth or paper towel to remove excess. Do not spray and allow cleaner to dry on the surface without buffing.
4. Repeat process to achieve desired affect and for heavily soiled areas.

Precautions

Protect surrounding areas from product contact. Avoid eye and skin contact and breathing spray mist vapour. Wash hands thoroughly after applying.

Note: Stone surfaces must be pre-sealed before using rejuvenator. **Essential Worktop Rejuvenator** might cause slight lightening of some surfaces - test suitability on a small area on-site before application.

COVERAGE

N/A

USAGE GUIDELINES

Dwell Time	Applications/Coats	Application Method	Dilution
N/A	1-2 applications	Cloth/Paper Towel	Undiluted

PRECAUTIONS

KEEP OUT OF THE REACH OF CHILDREN & PETS

Eye contact: immediately flush eyes with plenty of water for approximately 15 minutes. If irritation persists, seek medical attention.
