

ESSENTIAL PORCELAIN TILE CLEANER

1L **5L** SKU: SC4U_ERC_PTC01 / SC4U_ERC_PTC5

DESCRIPTION

A powerful, professional grade porcelain tile cleaner suitable for both indoor and outdoor use

SC4U ESSENTIAL PORCELAIN TILE CLEANER is VOC & solvent free and quickly removes common mess found on porcelain, including dirt and grime, algae and bird droppings. Perfect for cleaning porcelain patios, paths and driveways as well as all types of porcelain tiling indoors. Can be applied to any colour, type or texture, including polished, glazed, un-glazed and anti-slip. It will also act as a disinfectant.

Apply diluted up to 1:3.

DIRECTIONS FOR USE

Before use, remove any loose debris from the work surface and ensure you have adequate personal protection, i.e gloves, suitable protective eye-wear, FFP3 class mask & clothing.

DIRECTIONS FOR USE: OUTDOORS

1. Dilute the concentrate at 1:3 with clean water (1 litre of concentrate to 3 litres of water).
2. Test for suitability in small inconspicuous area.
3. Apply with sprayer or watering can.
4. Rinse off after 30 mins or for heavier contamination, pressure wash if necessary.

DIRECTIONS FOR USE: INDOORS

1. Apply with a mop, sponge or brush.
2. Allow to dwell for 15-30 mins and agitate surface with a stiff broom or brush.
3. Rinse off with clean water and clean up excess using a mop or sponge.

Please Note: not suitable for use with or around acid sensitive surfaces including enamel, zinc, chrome, stainless steel, polished marble and limestone. Always protect these areas and test in an inconspicuous area on-site to determine suitability for intended use. Take care to avoid contact with fabrics during application.

COVERAGE

Up to 8m² per litre.

Depending on porosity and level of surface contamination.

USAGE GUIDELINES

Dwell Time	Applications/Coats	Application Method	Dilution
15-30 mins	1 application	Sprayer/Brush/ Mop/Sponge	Up to 1:3
